## Buffet Menu Creation Sheet

Below is menu creation sheet that will allow you to design your own custom buffet, fill in the 'selection' column with the items that you prefer. You can add extra items to any selection area in the 'Buffett Additions' section. Every buffet meal is served with fresh dinner rolls and a full range of condiments, dressings and sauces. You can if you wish make additional selections, perhaps a second meat from the carvery, another vegetable option or another salad. Maybe one of the seafood options could be used creating a wonderful centerpiece.
